Hi Katrina – attached are the data validation summaries for the packages listed below.

Let me know if you have any questions.

Pat

Subject: Wilcox Data Packages - waste and Background

Pat, I have the following data packages and want to know that these are the final packages and that any validation if needed has been completed. Also, if there is a validation summary for these packages, please send that to me so that I can put the documents in the file in support of the proposed early action and for a FOIA response.

Thanks
